MEMORANDUM

TO: Marilyn E. Farndon, ENSB Coordinator

DATE: August 23, 1993

FROM: John A. Hampton, Jr. *jah*
Bureau Chief

SUBJECT: State Route Numbers / Names

RE: Your Memo of August 18, 1993

Earlier this month, in conjunction with the State Highway Administration's District Engineer's office in Frederick, the Howard County Department of Planning and Zoning, and the Howard County Planning Board, we were about to effect a change to the various names for MD Route 94 in our county. Various portions had been known as Woodbine Road, Florence Road and Ellicott Road. We kept having confusion with a county road also known as Florence Road. Effective about the end of September the road will be known only as Woodbine Road. We will then have a road, whether county or state owned, with the same name from Winfield in Carroll County through to the Montgomery County line.

MD Route 97 is known by two names in Howard County and by different names in Carroll County and Montgomery County. It is therefore, legally identified by the county as strictly "Route 97," and the county has no immediate plans to make any change in that name. Likewise, the county has no plans to change the name "Route 32" from Sykesville to Clarksville.

Please note that no road name may be used or changed within Howard County without the approval of the county Planning Board. They act in concert with the Bureau of Communications, the Department of Fire and Rescue Services' Fire Prevention Bureau, and the U.S. Postal Service for road name approval.

Our Department of Public Works, Survey and Drafting Division, is currently developing a GIS system on an Intergraph product that will be available to all agencies of the county. Fire and Rescue Services has already received funding for two workstations, and DFRS has offered funding to train one member of my staff along with their employees.

Funding for terminals in our 9-1-1 center and dispatch rooms is scheduled for our FY95 request to the County Executive.

Attached is a list of all designated route numbers in our County with the common names. If we can be of further assistance, please do not hesitate to contact either me or Richard Jordan, our C.A.D. System Specialist who is also Planning and Zoning's address coordinator, at the numbers above.

U.S. Rt. 1	Washington Boulevard	<ol style="list-style-type: none"> 1. From Baltimore County line to the split in North Laurel. (also known by SHA as Baltimore-Washington Boulevard). 2. As Washington Boulevard in the south bound lanes (except see SHA name in Note 1), and North Second Street in the north bound lanes).
MD Rt. 27	Ridge Road	Entire length.
U.S. Rt. 29	Columbia Pike	Very confusing with other names along Route 29 that are similar. The county has placed an unofficial moratorium against the name "Columbia" in any future road names. Any residence directly off Route 29 is known by the route number.
MD Rt. 32	Route 32 Guilford Road Patuxent Parkway	<ol style="list-style-type: none"> 1. Also known as Sykesville Road and West Friendship Road. 2. From Sykesville south to Clarksville. From Clarksville east to Route 29. Dual highway from Route 29 east to the Anne Arundel Co. line.
U.S. Rt. 40	Baltimore National Pike	From Baltimore County line west to merge with I-70.
Interstate 70	Interstate 70	Was at one time known as the Dwight D. Eisenhower Memorial Highway, but lost this designation many years ago when I-70S was changed to I-270 from Frederick to Washington, DC. Currently has no name.
MD Rt. 94	Route 94 <i>all WOODBINE</i>	Known variously as Woodbine Road, Florence Road and Ellicott Road; the road will become Woodbine Road for the entire length effective around the end of September, 1993. <i>Done</i>
Interstate 95	Interstate 95	Has never had a name assigned by either the county or SHA.
MD Rt. 97	Route 97	<ol style="list-style-type: none"> 1. Known as Hoods Mill Road and Roxbury Mills Road in Howard County. (Confusing with county road name of Roxbury Mill Road.) 2. Referred to as Georgia Avenue in Montgomery County; and as Washington Road in Carroll County.
MD Rt. 100	Route 100	This is a new road replacing MD Route 176 (Dorsey Road) between MD Route 2 in Anne Arundel County and Interstate 95 in Howard County; and then west to U.S. Route 29. No name given by SHA, and no plans to petition the Planning Board for a street name as this is a limited access highway with no residences or businesses.
MD Rt. 103	Montgomery Road Meadowridge Road	<p>From Route 29 east to Meadowridge Road.</p> <p>From Montgomery Road south to Route 1.</p>

Route 94 gets a name change

Betsy Stieff

A road by any other name ... may not cause as many problems.

After a near disaster last April, it looks like Route 94 in western Howard County is going to get a name change. If the county Planning Board approves, the rural highway will be renamed Woodbine Road from Route 26 in Carroll County all the way to the Montgomery County line.

The problem is not that the road currently changes names three times in Howard County — from Woodbine to Florence to Ellicott Road — but that the county also has a Florence Road with duplicate house numbers. The two roads actually cross at one point.

After years of confusion, the problem came to a head on April 8 when a report came in to the Lisbon Volunteer Fire Company that there was a furnace fire at 2822 Florence Road, according to Richard Jordan, computer specialist

in the county's Bureau of Communications. The fire was actually on Route 94 just two miles from the station, but the fire engines were dispatched to the other Florence Road, passing the actual site on the way.

"It was almost 30 minutes before the engines got to the right location," Jordan said. "Thankfully, the situation turned out to be minor, but it could have been serious."

In May, Jordan wrote a letter to the State Highway Administration, which agreed to support the name change. The county's Fire Prevention Bureau is also lobbying for the change.

"This is going to be quite irritating to a lot of people ... but we are trying to make it as safe as we can," said Lt. Ken Byerly of the Fire Prevention Bureau.

The Planning Board is holding a public hearing on the change Aug. 5 at 10:30 a.m. in the Ellicott Room of the George Howard Building.
